Treasurers Report - Treasurer Bob McAlister reviewed the last month’s expenses and income. Also reviewed was the proposed 2024 budget, which totaled \$1600.00 based on previous income/expenses.

There was discussion regarding 50/50 income which was \$312.00. The proposed 2024 amount was increased to match the 2023 50/50 actual amount. Motion was made to accept the proposed 2024 budget by Jim Grimes, seconded by Ken Blackshaw. Vote: all in favor.

The meeting was called to order at 1905 hours by President Bill Reed, who offered the Pledge of Alliance.

President Bill Reed welcomed everyone to the meeting; there were no guests this evening. Herman Hoffman has previously offered his resignation due to personal reasons, which was accepted by the officers. President Bill Reed offered his thanks to Herman for his long service and dedication to the club. As there now exists a

DX Comms DX – Communications for the month were very good. Jim Nelson reported that he is up to 34 DX’s; Steve Bishop had a good DX in Luxembourg, and Bill Reed reported a DX from China – BX5AA. ARRL DX Phone contest will be held March 2-3; go to <https://contests.arrl.org/> for more info.

CCFLARES - Jim Porter and Steve Bishop provided an update for CCFLARES activities. Most notable is that CCFLARES is now set up as a 501C3 organization (federal non-profit) which allows deductability of donations, but more importantly it can now accept donations and grants from governmental sources such as any county, or state and federal government.

Sunshine – Ken Blackshaw reported on sunshine activities. A “thinking of you” card was sent to Jon Pellant.

Hamcation – Shirley Duke reported that Hamcation was a lot of fun. All the major manufacturers were there and were happy to answer questions, offer tips and tricks. Also all the large vendors were there. Beyond “shopping”, there were many seminars and learning opportunities.

There was a lot of discussion on how to attract more people in to the club including the ARRIS program, applying for grants (must be 501C3 to receive grants), work with the schools to maybe set up radio clubs? – Charlotte O’Connor suggested that school activities

would probably have to be after school

Old Business – Bill Reed talked about Winter Field Day – ill will submit the logs to ARRL and report verified results; Bob McAlister talked about the Foxhunt and the next one to be held on February 24th. Bernie Schmelz will work on getting name tags for those members that don’t have one or need a replacement. The club pays for your first badge. Email Bernie with your name/call sign exactly as you would like it.

New Business – President Bill Reed suggested that the meetings be restructured as follows: 15 minutes social time, 15 minutes presentation and 30 minutes for business meeting. The chili cookoff has been removed from the list of activities because of low response, however it is being replaced with an additional Foxhunt on February 24th at Ann Dever Park from 1-3 PM. There was discussion regarding “Club Owned” equipment, purchase of more/new equipment? Also there was discussion regarding the Echo Link Repeater which had been off-line, however it is back up and running – more discussion needs to be held on this regarding where it will be housed and any associated costs.

NEXT MEETING – MARCH 12, 2024 AT 1900. CHAMBER OF COMMERCE MEETING ROOM.

There being no further discussion, President Bill Reed adjourned the meeting at 2010 hours.

Breakfast at Junior and Rosie's

Fun and fellowship at Junior and Rosie's

Breakfast at J&R's continues to be a popular club event. The prices are right, the food is good, and the ham radio fellowship is great! The group meets between 7 and 7:30 am for food and fun. This summer we average about 8 club

members every Tuesday. Thanks to Jon Blincoe, **N1COC**, for arriving early and setting up the tables for our group.

Upcoming Club Activities

There will be another Foxhunt in April. Additional activities are being planned and will be announced in the next newsletter, on the Facebook page, and via the groups.io email system

Monthly Meetings at COC

As mentioned in the header of the newsletter, the club meets the second Tuesday of the month at the Englewood Chamber of Commerce, next door to the Fire Station in Englewood.. The meeting starts at 7pm. After the meeting, we like to have a speaker to present interesting technical, operational, or otherwise ham radio oriented topics. If you have a new rig, antenna, ham radio software, or tips about ham radio operation, please contact a club officer to schedule a time to share your info with the club members! Thanks in advance!

FOXHUNT

Ten members of the EARS ham radio club gathered together Saturday, February 24 th , at the Ann and Chuck Dever Park in Charlotte County to

“fox hunting”. Instead of a real live fox, the members used radios and directional antennas to find a hidden transmitter. From noon to 2:00pm two “hunts” were conducted. Both times the ham radio operators found the transmitter hidden in the park trails. Attending the event were: W2CWL, KE5ODR, K7WWR, KN4YIV, KN4YIU, KM4GX, K8ZZU, KE4VEM, KA8PBA and KN4RKE. Another event is being planned for April.
