Meeting Minutes for May 9, 2023

Meeting opened at 19:08 with President Jon Pellant presiding and attending members delivering the Pledge of Allegiance.

Members in attendance: Jon Pellant W1JP President, Jim Nelson W4AII Vice President, Bob McAllister KN4RKE Treasurer, Herman Hoffman WA9LFQ Secretary, Jon Blincoe N1COC, Doug Vanderlaan K8RFT, Shirley Duke KN4YIV, Steve Malone KN4YIV, Michael Reid N3MIR, Bob Bowes KC1MAM, Doug Frasier KE5ODR, Michael Reid N3MR, Steve Bishop KW4SAB, Mark Thurston KB8WXI, <u>Bill Reed</u> K7WWR, Doug Vanderlaan K8RFT, John Hodedon KN4PHQ, Jim Porter KA8PBA, Steve Froggatt KN4NFX, Ken Blackshaw W1NQT Director of Publicity & Sunshine Distribution TREASURERS REPORT: Checking Account \$ 3,012.08, 50/50 Revenue

\$ 70.00. Motion to accept Treasurers Report by Jon Blincoe & 2cnd by Steve Froggett.

SECRETARIES REPORT: April 9, 2023, monthly meeting minutes were recorded by Herman Hoffman and placed into the April Monthly EARS News Letter by Bob McAllister. Motion to accept Minutes as published was made by Steve Bishop and 2cnd by Jim Nelson.

SUNSHINE: Ken Blackshaw had no Sunshine activity this past month despite the vast abundance of goodwill. He fervently believes we should be spreading significantly higher levels of positive energy too. The art of distributing and celebrating Sunshine is now 100 years old. We should all practice Sunshine distribution.

PUBLICITY: Ken Blackshaw is the go-to EARS Member for publicity regarding EARS events, services; And information dispersal. And information disposal. He will begin working on Summer Field Day and any other EARS events.

Minutes from page 1.....

We now have a dedicated

Events Committee that will de-

cide which event demands our participation and others not so much.

Events & Activity Committee News: At this point Events & Activities Directors are Bill Reid, Steve Bishop, and Bernie Schmelz. They and other members have participated in a POTA (Parks on The Air) event and were successful at getting a fair number of contacts.

HAMFESTS: Dayton HamVention in Dayton, Ohio Later this Spring. (Bus leaves Venice FL Tomorrow.) Notices will be posted when we get more information regarding day, date, time, and location.

ARES: Hurricanes are on the horizon and Charlotte County Flares and potential problem points in the methods of connecting all the radio operators that are in the various radio locations will be tested as if an emergency was in progress though out the Summer and early Fall. ANI hit us right on the nose on September 28th, 2022. Each antenna in use for emergency purposes should be tested for purpose and efficiency. At that time the various other readiness checking proceeds. A new equipment installation will take place that is called "Erecting NXTN", which is a Digital DMR, muti-location effort to tie the Gulf Coast emergency corridor together to insure communication paths along the North Charlotte & South Charlotte corridor and eventually the entire Gulf Coast.

Breakfast at Junior and Rosie's

Breakfast at J&R's continues to be a popular club event. The prices are right, the food is fellowship is great! The group meets between 7 and 7:30 am for food and fun. This past week we had 10 club mem-

Fun and fellowship at Junior and Rosie's

bers, Topics of discussion included the upcoming SFD event and the July EARS DX contest.

EARS Equipment Inventory

If you are storing Club equipment or property, please send me a list of what you have. The club is updating (I think re-establishing) a list so that we know what is available for use by members for field day type activities. You can email me at lobanker@hotmail.com or of course see me at Jr and Rosies Tuesday mornings or the 2nd Tuesday of the month club meeting at the COC.

Upcoming Club Activities

As noted in the April Minutes, a committee is formulating a couple of events for this coming Summer and Winterl. This **July**, the EARS Summer DX contest will be held. It is open to all EARS members (local and "snowbird". The rules for the contest are on page 5. There will be certificates of Achievement awarded for phone, Digital, and CW contacts at the 100 watt and QRP levels. If you have any questions, please contact me, or any DX Committee member or club officer. If you do not have HF equipment, the club has some that can be loaned out., In February 2024, the club will host an "Antenna Star Wars" / chili cook off. It will be your chance to bring your homebrew/commercial antenna to compete with fellow club members antennas. Contest rules will be coming out soon. Additionally, the club will be participating in the ARRL Summer Field Day, June 24/25. We will meet at Ann Deever Park, so stay tuned for further information. If you want to participate, please let us know. We will probably have 3 transceivers set up and are looking for operators. Also if you are

interested in cooking lunch, or set up and take down activities, your participation is welcome!

Minutes from page 2.....

While I understand the idea I am a bit hazy as to how it works, since I need some modernization of my working days brain cells too.

OLD BUSINES: The issue of doing a EARS Inventory has been brought to the floor for discussion. This is an important process for us to undertake so that we can locate important pieces of EARS Equipment and establish it's viability for use.

NEW BUSINESS: A number of brain storming ideas were thrown out for discussion: good, and the ham radio EARS Group Sub Group ID's in the mailing list either for particular subjects, events, or News Victor Emmelcamp has a quantity of Ham radio gear that he wished to sell and dispose of. KV4VHK

> Contact Ken Blackshaw as he has more information on Vic's treasures.

Lighthouse weekend activities during the August time frame were discussed. Perhaps this year we can set up at the "Range Light Site". This location is the Boca Parking Lot North of the Light House. Light House supplies white light and the Parking Lot supplies Red. When perfectly aligned, you can use them to navigate to land. Correct me if I am wrong.

John Blincoe discussed the possibility of getting a Ham Shack room at the Tran Gulley facility, perhaps after the inventory is completed?

Steve Froggett Moved to Close the May 9, 2023, Meeting

Ken Blackshaw seconded the motion to adjourn Meeting closed at 20:20 Hrs.

All of us "All Year Arounders" wish to pray for a safe travel home of "Winter Only Folks", I think we have had a pretty productive year. Keep in touch, use Echo-Link to join us anytime and to stay safe on the way North. DX is the best it has been on HF as well since the last since 2011. Thus, try to get a QSO going with the various members.

WA9LFQ

If you are <u>not</u> on this list, I don't have you marked for 2023. Please contact me if I've made an error. Thanks, Bob KN4RKE, Treasurer lobanker@hotmail.com

Monthly Meetings at COC

As mentioned in the header of the newsletter, the club meets the second Tuesday of the month at the Englewood Chamber of Commerce, next door to the Fire Station in Englewood.. The meeting starts at 7pm. After the meeting, we like to have a speaker to present interesting technical, operational, or otherwise ham radio oriented topics. If you have a new rig, antenna , ham radio software, or tips about ham radio operation, please contact a club officer to schedule a time to share your info with the club members!

1ST ANNUAL EARS SUMMER DX CONTEST

- Date of Contest: **July**, **2023**. Full month from 00:00 UTC on the first day of the month to UTC 23:59 on the last day of the month.
- Bands 40, 20, 15, 17, 12, 10, 6 meters are allowed. Operate in multiple bands and combine the totals (per mode) from each band into one submission log.
- The following Modes are allowed: Digital, (which includes FT8, JS8 Call, PSK31) CW, SSB/FM Phone. In the Digital category all modes will be tabulated as one in the Digital category not separately. So, in theory you could operate FT8, JS8 Call, PSK31 and combine and beat out someone just operating in one Digital mode if your combined total is greater. CW and SSB/FM will be the total all CW or SSB/FM contacts made across all bands above.
- Two categories for power levels, **100 watts maximum** and **QRP** (5 watts or less)
- The Mode winners will receive a Certificate of Achievement from EARS Club to each class winner. Digital, SSB/FM, and CW. Certificates for QRP (Digital, SSB/FM, and CW) will also be awarded
- You can operate from anywhere, but only DX outside the CONUS USA will be considered DX. This means HI, AK, Puerto Rico, Guam and any other US territories are considered DX. Log entry must include Band/Call of Contact/RST/QTH/Time of QSO/mode as a minimum.
- Only electronic logs will be accepted: You should submit an ADI or ADIF file. With your submission, please verify that all call signs are valid. Logs must be submitted by August 15th. If you have a question about ADI/ADIF files, please contact a committee member for assistance.
- Logs will be presented to the Committee, which will appoint 3 Judges who will tabulate contest results and determine Awards to be presented at the next club meeting (3 Judges are needed so contesters won't be judging themselves).
- Points will be 1 point for each QSO, no matter the Band/Mode. IE., 100 Contacts = 100 points. For example, 50 SSB and 50 CW = 100 points combined, but 50 for SSB/FM mode and 50 for CW mode. A contact with a station is limited to one per band and one per mode. So, the same station can be counted on each band and each mode only once in the 31day period. Multiple contacts with the same station on the same frequency/mode during the 30-day contest are not counted.
