CLUB NEWS

MEETING MINUTES

Minutes February 14, 2023

Meeting opened at 19:08 with Jim Nelson, Vice President presiding and attending members delivering the Pledge of Allegiance.

Members in attendance: Jim Nelson W4AII Vice President, Bob McAllister KN4RKE Treasurer, Herman Hoffman WA9LFQ Secretary, , Steve Froggatt KN4NFX, Steve Malone KN4YIV, Shirly Duke KN4YIU, Mark Thurston KB8WXI, Bill Reed K7WWR, Doug Frazier KE5ODR, Michael Reed N3MR, Doug Vanderlaan K8RFT, Joan Adamy KC4WJ, Bernie Schmelz KOLZQL, Jim Grimes KD8OCW, Steve Bishop KW4SAB, Ken Blackshaw WINQT

Director of Publicity & Sunshine Distribution
TREASURERS REPORT: Ending Balance: 1/31/2023: \$3464.00, Petty Cash: \$48.00 50/50 \$41.00 Total \$3553.07 Motion to accept Treasurers Report by Steve Froggatt & 2cnd by Doug Frasier

NOTE: Dues were due by 12/31/2022. Suggestions for activities to replenish the checking account are welcome..

SECRETARIES REPORT: January 2023, monthly meeting minutes were recorded by Ken Blackshaw and placed into the January Monthly EARS News Letter.by Bob McAllister. I express gratitude to both Ken & Bob for the January report. Treasurer, Herman Hoffman accepted and 2cnd by Steve Froggatt.

SUNSHINE: Sunshine was sent to Steve Churchill who spent some time in the Englewood Hospital. Steve is now out and is home.

PUBLICITY: Winter Field Day was submitted to Sun News weekly & daily by Ken Blackshaw, WINQT, EARS Publicity Director. Ken will did canvas other potential periodical publications as well. Thank You Ken! The Winter Field Day on January 28th & 29th at the Ann & Chuck Dever, Charlotte County Park on San Casa Dr. Englewood was enormous success with well over 100 contact submissions, thanks to Bill Reed and operation folks and member support.

DX: Band activity is gaining control as the Sunspot cycle continues to assist propagation on the longer wavelengths. It has been a long time since 40 & 80-meter communications has yielded contact around the world as it is now. With various particles getting belched toward Earth, bands above 20 Meters are making DX fun again. Summer ducting is also influencing VHF bands with surprisingly long range. Discussion ensued regarding particle distribution & ducting on the UHF Bands. Jim Nelson has been able to use FT8 to continue his goal of a “Worked all Countries Certificate”. Perhaps applause to ensure Jim’s completion? With good DX performance, Winter Field Day, enjoyed a great contact performance.

HAM FEST: announcement of a transportation bus for the Orlando event in February. Several members. Took the Sarasota Club bus to attend the event last year and again this year. A BIG THANK YOU, for Steve Bishop for providing rides for club members.

ARES and Training /Testing: Doug Frazier reported significant interest in CERT training courses. Doug has done an exceptionally excellent job getting the CERT training program established. Significant success has been made getting new members for Charlotte County Cert & new members for Ham Clubs. Thank you, Doug, for your persistence and ambition. Interested parties can get more information on the appropriate Charlotte County Web Page for new class launch dates.

TECHNOLOGY: Considerable discussion of antennas took place regarding Winter Field Day. Dave Reed discussed his 6 Meter J-Pole Antenna at the November meeting and Doug Frasier & Jim Nelson discussed the use of a 5/8 Wave-length 2 Meter antenna in an HOA environment.

OLD BUSSINESS:

Officers Election took place on January 9, 2023, at our EARS Meeting. The slate of victims was the same as 2022 and they won, therefore they will. will have another year added to their sentences.

Jon Pellant, President W1JP

Jim Nelson, Vice President W4AII

Robert McAlister, Treasurer KN4RKE

Herman Hoffman, Secretary WA9LFQ

Anybody who wishes to be an officer please advise any present officers ASAP so that your names get on the ballots for 2024. New Business: Discussion regarding the purchase of 20 & 40 Meter Bandpass Filters by Bill Reed and club membership voted unanimously to purchase the filters.

CCFLARES Communications Exercise

The Englewood Amateur Radio Society (EARS) takes part in the monthly Charlotte County Emergency Communications Drills, activating radio communications from Englewood Hospital at 700 Medical Boulevard. They set up a portable station at the Northeast Corner of the Hospital property and communicate with Charlotte County locations including the Emergency Operations Center at the Airport in Punta Gorda. You can come and see

this happening at 9 a.m. on the third Thursday of each month.

Here you see Jim Porter, callsign **KA8PBA** at the microphone while Steve Bishop, **KW4SAB**, and Jim Nelson, **W4AII** explain the communications exercise to Mark, the Security Director for the Hospital.

Submitted by **W1NQT, Ken Blackshaw**

W4AII DX 100 Accomplishment!

Congrats to Jim Nelson, W4AII for his recent QRZ DX 100 Award. Accomplished with determination and creativity! Living in an "antenna restricted" community, Jim worked hard to get his signal into the air and around the world.

"All FT8 QSOs over only 8 months. Need only 2 more countries for my ARRL DXCC too. After working 117 countries of CW DX QSLs almost 60 years, I have now Finally recovered from my parents throwing out my "old postcards" that were intended to be submitted after I left for college in 1965. Now I can relax and focus on CCFLARES, starting on my amateur extra license, getting my CW speed back up, etc."

Congrats Jim!
