After discussion and adding an item for renewing N4EAR fees for \$35, the budget passed. The monthly Treasury report was published in the last newsletter.

DX Reports – Bill Reed, Jim Nelson and Steve Bishop talked about recent DX comms.

CCFLARES – Steve Bishop reported that SSFLARES assisted the DeSoto and Sarasota Counties Ag Group with an exercise. CC Flares is assisting the DeSoto group in getting set up and establishment of comm protocols. This group is mobilized during storm events to gather and provide a safe environment for farm animals – so their mission is quite unique.

Sunshine – Ken Blackshaw reported on activities for the month and the use of the new email address for sunshine: sunshine@ears.groups.io

Events – Bob McAlister reported that there will be a “foxhunt” Saturday, March 22. An email was send via groups.io and another will be sent the week before the foxhunt.

Bill Reed discussed “ALL STATES CONTEST” as outlined in the agenda. Members had several questions and seemed enthusiastic to participate.

WINTER FIELD DAY will be only one day and will also include a Fox Hunt.

New Business – The Board has proposed that new licensee members will be awarded a new HT Radio. This encourages new licensees to continue their HAM Radio hobby and get them going immediately as soon as they are licensed. Members approved giving new member/licensees an HT radio.

Also, it has been proposed to have a Membership Committee who would work to maintain interest of new members in the Club – Bill Dolan will Chair and Jim Nelson will provide help/training to new licensees on the use of equipment.

Activities Committee –
The club will sponsor a “day of Sporting Clays” at the Sarasota sporting clays range. More info will follow.

NEXT MEETING WILL BE MARCH 11 AT 1900.

The meeting adjourned at 2030.

Bill connected with a friend of his in Wyoming and each demonstrated how JS8 functions and transmitted/received messages between stations. Many members asked questions regarding the use of the mode and also the ease of use of the App.

Secretary’s report – Motion to accept as published – Steve Froggatt, seconded by Mike Reid. Vote – all in favor.

Treasurer’s report – Bob McAlister presented the Budget for 2025 and detailed several changes regarding expenditures.

Breakfast at Junior and Rosie's

Breakfast at J&R's continues to be a popular club event. The prices are right, the food is good, and the ham radio fellowship is great! The group meets between 7 and 7:30 am for food and fun. Eleven Club members at the last breakfast.

NOTICE: *The club voted to meet at Junior and Rosies new restaurant, formerly "Charlie's Good Times". on the 776 Access Road just out of town near Spinaker. Hope to see you there at 7:00 am or so Tuesdays*

Upcoming Club Activities

February- N4EAR worked all states event
We want to get a worked all states certificate for the club station.
Time TBD

Foxhunt—March 15 9am
registration at Tringali Park

Monthly Meetings at COC

As mentioned in the header of the newsletter, the club meets the second Tuesday of the month at the Englewood Chamber of Commerce, next door to the Fire Station in Englewood.. The meeting starts at 7pm. The meeting agenda has been adjusted to have social time and presentations first, We like to have a speaker to present interesting technical, operational, or otherwise ham radio oriented topics. If you have a new rig, antenna , ham radio software, or tips about ham radio operation, please contact a club officer to schedule a time to share your info with the club members!

Ham Radio Nametags!

Hey ham folks – I stopped by Walmart on the way back from breakfast this morning and the check-out lady spotted by EARS nametag. ‘Are you a ham radio operator?’ she asks, and when I said ‘Yes,’ she said, ‘My Dad was a ham. His callsign was W6KSG.’ ‘Oh – you are from California!’ I said – and she lit up like a lightbulb and we had a nice little ham radio chat.

She told me how excited he was to have talked to someone in Russia. I commented, ‘From California that was quite an achievement, having to transmit over the north pole.’ She told me she regretted not trying to get his callsign since she could see someone else had it now.

Then it was time for me to say 73’s to her.
