## Supporting and Practicing Ham Radio in Englewood

**October 2022**

### MEETING REPORTS AND NOTES

#### NEXT MEETING:

The next meeting will be: **Tuesday, November 8th at the COC in Englewood at 19:00, and virtually via Google Meet unless otherwise notified. Check the FB page , and groups.io for last minute updates**

#### CLUB NEWS

Because of the aftermath of Hurricane IAN, there was no club meeting in October. The next meeting will be November 8th. Please attend if at all possible. Some of the important business that will be addressed is nominating and electing Officers for 2023. If you are interested in being an Officer, please let one of the current Officers know. Besides being an Officer, there are also committee appointments, net control rotations, webmaster and newsletter opportunities to help out with. Any and all help is appreciated!

Tuesday morning breakfast at **Junior and Rosie's** continues to be a popular spot to be at 7:30 am. We are holding our own with a special row of tables to seat the crowd of 10 or so Ham's that show up for the great food at great prices and ham radio discussions! Rosie has even added an "EARS omlette" to make us all feel welcome!

#### 2 Meter Chat Net:

The club conducts a two meter chat net every **Tuesday evening on N4EAR, 146.865 136.5HZ** tone, -600 transmit at **7:30 PM**. On Tuesdays that the club holds its meeting, no net. If you are using echo link to check in, temporarily use the **K8ONV** node. We are in process of changing the node to

N4EAR

**The club is always looking for net control operators. If you would like to participate as a net controller, please let a club officer know!**

The current rotation is:  
Week 1: KN4NFX  
Week 2: Club meeting, net not held  
Week 3: KN4RKE  
Week 4: W4AII  
Week 5 (if needed) : Open
