## President's Message

Well, it appears that we went from Winter to Summer in SW Florida, again. The rag-top is down and the air conditioning is on. I sometimes miss the Spring and Fall seasons. The Berkshire Mountains of Western Massachusetts and areas in New Hampshire and Maine are especially beautiful at those times of the year. I even toy with the idea of moving back "home". My family and friends live in New York and the New England states. It's where I grew from boy to man.

Jackie and I have lived in New York, Connecticut (where our son was born), Virginia (where our daughter was born), Ohio, Idaho and Massachusetts. We have good memories of each, and keep in contact with the friends we (mostly Jackie) made. Somehow, better known as N4RD, we ended up in this little Gulf Coast hamlet known as Englewood. Something amazing happened. I (almost) became a nice guy; I'm still learning and "grumpy" at times. It takes more than six years (Holy cow, we've been here that long) for a dyed in the wool New Yorker to let down the armor plate which has always protected him from evil doers. Somehow, mine's almost gone. It's due to the men and women of this club. I, me, have a lot of new friends. What a bunch! Thanks.

Martin-W4MHH

**BIG PS:** The EARS was gifted of the 146.700MHz repeater and all peripherals on April 25th by Dave Kelce, K0DGF. At the same time, I signed a agreement with Dave which gives the EARS a 15 year lease, at no charge, and is binding upon transferees and assignees of the repeater site. I really do not know how to thank Dave on behalf of the club, except by a Thank You and 73.

## Meeting Minutes – April 21

**Call to Order:** President Martin-N4FA called the meeting to order at 7:30 PM with the pledge of allegiance. There were 21 members present and no guests.

**Correspondence:** The club received a letter of thanks from Betty Rockwood for the help and support given to her husband Bill-KE4ZAK who passed away recently.

## Committee Reports

**RACES:** Mel-W9BSM reminded of the regular checking times for RACE members.

**Publicity:** Englewood Sun had an article about our need for a small RV to set up as portable emergency communications center. No calls yet.

**Testing:** Run jointly with TARC the 2nd Saturday of the month (See the newsletter "Local Happenings").

**DX:** JR-K9HUY reported that Glorriosa Island should be up and running 5/15-6/1. This weekend is the Florida QSO party. Times are Sat 12-10 and Sunday 8-6. QST had a very good article entitled "All Things 6 Meters".

**Field Day:** Dave-W4INN reported everything is shaping up. The tent has been arranged for and will be in the same area as in previous years. The club does need a new cook and bottle washer as Frank-W4VV isn't doing the cooking this year.

### EARS SK

A good EARS & TARC member and friend to many, Bill Rockwood-KE4ZAK, passed away on March 28 at the age of 79 years. According to the Tamiami ARC newsletter, a "Celebration of Life" in Bill's honor was

held on March 31 at the home of Dona & John Fyke-VE6AIV which was attended by family, TARC and EARS members.

He enjoyed participating in the Snowbird net and was always known to eat well at the local ham radio breakfasts in Englewood and Venice. I enjoyed talking to Bill about ham radio and of course listening to his many stories and jokes. He was always up beat and I never heard talk about anyone in a bad way, unless they were on the bad end of joke. I know I will miss Bill as his family and many other of his friends will too.

### Hamfest and the Club Table Sales

First the Hamfest.

All in all our 2005 Hamfest was a pretty good event. The weather cooperated and the attendance was good. About 250 tickets were deposited in the prize bin and 30 plus tailgaters set up in the fairgrounds area. We gave away lots of prizes and eat some fine food cooked by the Boy Scouts. Financially we took in \$1891.00 and incurred \$786.20 in expenses. That left \$1104.80 to be divided with PRRA or \$552.40 for each clubs' treasury. Incidentally the raffle of the Icom 2800 HT generated \$128.00 of our total income. The HT was won by our very own Freeman Crosby - W1NPR.

Next the Club Table.

Many, many thanks to our club members who donated equipment and sundry things for sale on our club table. The donations practically overwhelmed my garage. Thanks also to Keith Kelly - KC5AS and Tom Hawes - WA3PRC for their outstanding job selling all the items. Our income from club table sales totaled - \$387.50.

73, Vic-K4VHX
