President's Message

Sometimes it's the simple things in life that make us happy. Nicole-KG4TGI was excited to get her amateur radio license plate for her car this month.

I was contented by having my first weekend at home this last weekend with nowhere we were required to be and nothing planned that we had to do for once. While I don't care to be idle and I love doing the things we do, I appreciate a little down time once in a great while - so we can take some time to enjoy the simple things.

A number of hams volunteered to assist with communications for the Boca Bop Triathlon this November 4, 2007 at Boca Grande. If you wish to help and did not speak up at the October EARS meeting, please contact me. I will arrange for the bridge passes and meet with you in the morning to distribute them with assignments. Got some good news and bad news for volunteers who are not particularly morning persons (like myself). Bad news - I announced the wrong start time at the meeting, as the swimmers will be in the water at 7:15 AM, we need to meet closer to 6:00 AM at the boat ramp area before the Boca Grande bridge. Good news - the time changes that weekend, so it may still feel like the old 7:00 AM that I incorrectly announced.

We are grateful to have experienced an educational safety presentation from Dave Swanson from Pro-active Environmental Technologies at our last meeting. We are looking forward to the EchoLink demonstration at the November meeting. Please offer more suggestions for programs and guest speakers. I'd also like to thank Keith-WL7CKY for

being acting secretary at the October meeting. Please remember to make nominations for EARS officers; we'll be asking for names at the November meeting.

Matthew, KE4VEM

Old Business

We have located the missing club banners and possibly a missing radio. We will find out about the radio shortly.

New Business

The Boca Bop Triathlon will be Saturday November 4. We need volunteers with radios. Meet at 7:00 AM at the boat ramp parking area on the Boca Causeway.

Our holiday party will be on December 15 at 5:30 PM at the Boca Royal Country Club. Tickets are \$30.00 each. RSVP to Martin-N4FA ASAP. Make checks payable to EARS.

Frank Butler's retirement, after a long career as our ARRL District Representative, was discussed. ON MOTION, Frank Butler was made an honorary member of EARS.

Announcements

The presentation after next month EARS meeting will be an Echolink demonstration by Vic-K4VHX and Tom-WA3PRC.

Vic-K4VHX reported on our World Radio subscription update.

Vic-K4VHX has tickets for the December 1&2 Tampa Hamfest.

Pam-KG4EDG brought up the subject of our weekly two meter simplex net and the lack of participation in it. Discussion followed.

Gene-KA1GCU asked if auto patch is still available on the repeater. It is, and if you have a speed dial number, it is located with your name in our directory.

Matthew-KE4VEM made a minor correction to the printed meeting minutes from last month.

Adjournment

ON MOTION, President Matthew Henry, KE4VEM, adjourned the meeting at 8:10 PM.

Our after meeting guest speaker was Mr. Dave Swanson from Pro-active Environmental Technologies. His presentation was about security in our homes and communities. He gave an excellent presentation which kept us all wide awake.

Remember: If you take away

S = Surprise

T = Time

O = Optimism

P = Permission

You prevent the crime.

Things to reference on the internet. Google - bump key or bump lock and try <http://suncoast-security.net>. The security device Dave had was called a challenger.

Thank you Dave for an exciting presentation.

Respectfully submitted,
Keith Herve, WL7CKY
Vice President
